Dear Ms. Miller,

I am responding to your letter dated October 8, 2010 regarding the late filing of a 24 hour report of independent expenditures exceeding \$1000 within 20 days the Alaskan Primary Election held on October 24, 2010 pertaining to radio ads purchased in support of US Senate candidate Joe Miller in the amounts of \$637.50 and \$1547.60 on October 21, 2010. The report was filed on October 24, 2010.

The reporting error was due to a misinterpretation of the spending report thresholds on my part and was caught during a review of FEC regulations and an internal audit of PAC expenditures. I have taken steps to assure that we remain in full compliance with FEC regulations in the future, including reviewing the regulations with our staff regarding the importance of forwarding and reporting expenditures immediately to prevent a reoccurrence of this issue. We have also retained the support of an experienced PAC treasurer to provide additional training, audits and review our procedures and reports to assure that our expenditures are reported correctly and timely.

Thank you for your consideration in this matter and please feel free to contact me at if you have any questions.
